

● Our work on resilience

◆ Knowledge sharing

Resilient Cities China:

-*Sino-EU Sub-forum on Resilient City and Water Management* (Nov 2015, Zhuhai) focusing on “Sponge City” (urban storm water management)

Cities’ participation in international meetings

◆ **Case study on cities’ practices on resilience and climate adaptation**, in partnership with Chinese Society for Urban Studies

◆ **City-to-City exchange (e.g. studying tour)**

● Next Step

- **capacity building on resilience and climate adaptation**
 - *challenges EA cities facing*
 - *China's Urban Climate Change Adaptation Action Plan, Feb 2016*
- **city-to-city exchange and knowledge sharing**
- **Resilience city forum China**
